Dear Parishioners,

**Subject: Regarding opening new Tailoring Centre**

Warm greetings and blessings to you all. With reference to the above subject, I, Fr. Soosai Raj, Parish Priest of Avoor would like to sincerely thank you on behalf of Annai Therasal Women Group and the parishioners of Avoor for your loving contribution to buy Sewing Machines, Chairs, Scissors, Pins, Thread, Measuring Tape, Scale and etc. towards the welfare of in and around people of Avoor.

The project aims to provide training and livelihood in tailoring. The tailoring machines will be used to train adolescent girls, widows and destitute women. It is to gain employment after learning the skills and acquiring experience.

The machine will be installed in Parish hall for better supervision and control of materials. Annai Therasal Women Group will take care of the tailoring centre. Once again thank you for your concern and great support towards our Parishioners.

Yours faithfully

Fr. Soosai Raj  
Parish Priest
