Declaration of commitment and signature field

As a scholarship recipient of Archdiocese of Munich and Freising, I commit myself to solidarity with future international students.

This means:

After finishing my degree I will inform and update the Archdiocese about my progress to exchange the experiences, to make reintegration easier for future students and to support other students according to my skills and experience. In particular, I will announce my place of residence and my private e-mail address.

If I should not return to my home country after my studies, I undertake to pay back half of the student grants I received. The repayment serves to finance the scholarships for the subsequent students. I commit to start repayment on a standing order one year after graduation. I pay back at least €50.00 a month for this. Special refunds can be made.

I agree to the „Allgemeinen Bestimmungen für die Zuschussvergabe der Erzdiözese München und Freising“.

I declare that I am an applicant for the application of the „Rahmenordnung – Prävention gegen sexualisierte Gewalt an Minderjährigen und schutz- oder hilfebedürftigen Erwachsenen im Bereich der Deutschen Bischofskonferenz“, published in the Official Journal for the Archdiocese of Munich and Freising on January 31, 2020, No. 1, or the respective diocesan prevention regulations/ implementing regulations. The data protection notices of the Archdiocese Munich and Freising have been noted.

I certify that the information in the grant application is correct and complete.

I take cognizance that the diocesan scholarship is a voluntary benefit and could be stopped at any time if there are appropriate reasons.

If my economic situation should change, e.g. due to financial contributions from third parties, I will report this to my supervisor immediately. I agree that the information about my financial situation can be proofed and forwarded to other scholarship providers.

I agree to keep in touch with the university community and the supervisors. I agree to participate in the scholarship holder meetings.
